

One Hundred First Legislature - First Session - 2009
Introducer's Statement of Intent
LB 663

Chairperson: Chris Langemeier
Committee: Natural Resources
Date of Hearing: February 11, 2009

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

It is the intent of LB 663 to establish the Net Metering Act. It provides a process for the interconnection of qualified renewable electric generation facilities by distribution utility customers. It allows for the recovery of fixed costs by the utility, provides fair compensation to qualified facilities (QF) for excess energy produced and ensures that safety and reliability features are in place.
